

## 2024 Assessments / Draft Details - 10U/12U/14U - Revision 1.1

## Assessments:

- Head Coaches are highly encouraged to attend both assessments for the age group they are coaching or send a capable representative. It is also recommended that the coach attend the assessment for the younger division to rank any players that want to play up.
- Assessment dates for the 2024 season are $1 / 20 / 24$ and $1 / 27 / 24$.
- A clipboard with a list of players registered will be provided for evaluation.
- The list will include skills to be evaluated, Fly Balls (OF), Throwing, Fielding (Grounders), Hitting and running.
- We recommend that you evaluate the players abilities in each section.
- You can use any scale that you come up with. 0-10, 0-5, etc
- Example 0-5 Scale:
- 0-Cannot perform desired skill
- 1 - Beginner level at the desired skill
- 2 - Sometimes can perform the desired skill
- 3-Can perform desired skill consistently
- 4 - Can perform the skill with occasional greatness
- 5 - Mastery of the skill
- The assessments will include the following to allow for player evaluation
- All Players will get the following.
- 3 Ground Balls
- 3 Fly Balls
- Hitting off Coach Pitch
- Running
- Optional Based on Players Skill:
- Pitchers Planning to Pitch this Season will be required to pitch at assessments and throw a few pitches
- Then you can use the evaluations from the assessments to set a draft order.

Recommendation would be to add the scores up and get a total for each player and use that to set your draft order.

- We will provide a google sheet list of the players if a digital copy is desired.
- Remember pitching is the \#1 need, then probably Travel players then skill ratings.

## Draft Night:

Set for Wednesday Jan 31st at Epicenter this room. Times TBD. Order will be $14 \mathrm{U}, 12 \mathrm{U}$ and then 10 U .
Draft Order:

- Draft order is determined by a random drawing before the start of the draft.

Draft Attendees:

- The head coach must attend.
- Assistant coaches are allowed to attend but if they are present or if you have an official assistant coach that will take your first round pick. You are only allowed one as assistant coach prior to the draft process.
Draft:
- The draft is a snake draft. This means the team with the first pick (1.1) will have the last pick in the second round with 8 teams this would be the 2.8 pick. See figure 1 below.
- 1st Round Pick will be Assistant Coaches Daughter if you have one.
- 5th Round Pick will be Head Coaches daughter if he has one. (Consider removing 5th round if all head coaches have daughters in the league)
- Draft will continue until all players that attended assessments are drafted.
- For players that were not able to attend assessments, their names will be put in a hat and drawn in draft order continuing the snake draft.
- Once all players have been assigned to a team the draft is complete
- Once the draft is complete there will be a 15 minute period to allow for any trades.

Pitchers:

- Pitchers will be noted on the draft assessment sheet along with innings pitched the previous season where applicable.
- Pitchers will pitch at assessments giving coaches time to evaluate them.

Travel Softball Players:

- Any player that has played travel softball with the Red Barons or another organization will be noted on the draft assessment sheet.
- Again we will do our best to identify these players but it may not be fully inclusive.

Players that Missed Assessments / Hat Picks:

- Players that were unable to attend assessments will be hat picks.
- The players names that were not assessed will be written on a slip of paper and put into a hat. After all assessed players have been drafted teams will draw a name out of a hat in their draft order until all players have been rostered.

Draft Up Available Players:

- We will provide a list of players from the lower age group that have met a certain safety requirement and can be drafted up if a team desires. These players had to attend assessments
- We will also identify any players in the current age group that were drafted up during the preceding upper age group draft at the beginning of the draft.
Sister Picks:
- If a player has a sister in the same age group then the players will go back to back.
- If you take sister 1 in the 3rd round then your 4th round pick will be her sister 2.
- Special Case: Head Coach or Assistant Coach has sisters in the same age group.
- Assistant Coach Case: First Kid is 1st round pick 2nd kid is 8th round pick.
- Head Coach Case: First Kid is 5th round pick, 2nd kid is 8th round pick.
- The Head Coach and Assistant Coach have 2 kids: 1st round, 5th round, 8th round and 9th round picks.
Coach Blocks:
- A player is allowed to block a certain coach from drafting them. They are only allowed one block. This block will be communicated to the coach prior to the draft.
Trades:
- At the end of the draft there is additional time allowed for teams to make trades.
- This is a negotiation between the teams wanting to trade.
- This often has to do with a coach trying to get a good friend of their child or someone that needs rides, etc.
Practice Times / Jersey Colors
- We will also have you pick your practice slots and Jersey Colors.
